Compensation:	\$15.00 to \$17.00/Hourly, depending on experience
Location/ Geographic Responsibility	Dallas

Background

Effective August 1, 2022, the Texas Campaign to Prevent Teen Pregnancy (statewide), Ntarupt North Texas Alliance to Reduce Unintended Pregnancy in Teens (Dallas), and Healthy Futures of Texas (San Antonio) have merged to improve the well-being of young Texans through equitable access to sexual health education and resources.

Who We Are

Healthy Futures is a statewide, nonpartisan, nonprofit organization whose mission is to improve the well-being of young Texans through equitable access to sexual health education, contraception, and resources.

Be a part of the team working to ensure that **all** of our communities' teens have access to sexual health information and reproductive health services. Working together, close to the community, with a passionate, committed, and talented team, you will be able to see the immediate, tangible impact of your work.

We know that diversity makes us stronger and challenges us to think differently every day. We are an equal opportunity employer and seek individuals of all backgrounds, gender identities, and sexual orientations to apply to this position.

Equity Statement

Given the intersectionality of systemic racism and reproductive health, we will center racial equity in all aspects of our programs and operations, as evidenced by inclusion of equity in our mission/vision/values; staff job descriptions; board recruitment and training; communications and messaging; and policy priorities. The newly combined organization will be an equal opportunity employer and encourages candidates from diverse backgrounds and identities to apply.

Overview

Youth Advocates is a positive youth development program that empowers Texas area teens to become leaders of change in their community through civic participation at local and state levels. We engage high school aged youth in outreach, education, and advocacy to increase access to teen-friendly care and quality sex education.

This part-time position (12 hours a week) is a near peer leadership role. You will work directly with high school students who are part of the Youth Advocates program of Healthy Futures of Texas. In addition to helping coordinate program logistics, you will also serve as a mentor and educator to young people who are passionate about reproductive health and policy.

The rate of pay is \$15.00 to \$17.00 hourly, depending on experience. This position focuses on organizing young people, so people ages 18- 24 are especially encouraged to apply.

This position is hybrid, and most work hours will be remote and flexible, but the role also includes required in-person meetings.

Roles and Responsibilities

- Attends in-person Youth Advocates (YA) meetings at Healthy Futures office in Dallas twice per month from 6-8 pm
- Helps coordinates and plan YA meetings, including brainstorming meeting topics, planning agendas, and picking up meals or supplies for meetings
