

Announcing the **EMERGING SCHOLARS TRACK**

at the 2025 Annual
Symposium

Calling all Texas Students!

Are you involved in a school-related project that more people should know about?

We've got the platform for you! The Healthy Futures of Texas 2025 Symposium will feature new research and projects from students. High school, undergrad, graduate, medical and nursing school students are invited to submit their work for a chance to present at the Symposium on April 28, 2025 in Dallas.

Project subjects should relate to **adolescent or women's sexual and reproductive health**. Examples include, but are not limited to:

- Data & Research
- Sex Ed
- Women's Health
- Youth Development
- Adolescent Health & Social Challenges
- Emerging Health Issues
- Advocacy

Interested students should scan the QR code and complete the short form. Questions? Contact Melanie at **mchasteen@healthyfutures-tx.org**.

Deadline to submit: Mar. 28, 2025
