Who We Are

Healthy Futures is a statewide, nonpartisan, nonprofit organization whose mission is to improve the well-being of young Texans through access to sexual health education, contraception and resources.

Be a part of the team working to ensure that **all** of our communities' teens have access to sexual health information and reproductive health services. Working together, close to the community, with a passionate, committed, and talented team, you will be able to see the immediate, tangible impact of your work.

We are an equal opportunity employer and seek individuals of all backgrounds, gender identities, and sexual orientations to apply to this position.

Overview

This full-time position ensures the successful implementation of the **Campus Conversations** program in partnership with higher education institutions to support student success by educating young adults on abstinence and contraception for the prevention of pregnancy and Sexually Transmitted Infections (STIs), including Human Immunodeficiency Virus (HIV) and Acquired Immunodeficiency Syndrome (AIDS). The Health Educator II collaborates with young adults and campus staff for program delivery, in and out of class-time, and for on-campus events and activities; facilitates referrals and linkages to adolescent-friendly health care and community services; increases program awareness; and supports the Peer Ambassador Program, including training, events, and implementation.
