

**Ready to
make change
in your
communities?**

Join us for a **Making Change simulation!**

Making Change™ (aka "The Change Game")

An interactive simulation that teaches essential change management concepts through engaging, hands-on gameplay.

Join thousands who've transformed how they approach change in schools and organizations.

What You'll Gain

- » Practical frameworks for leading successful improvement efforts
- » Shared language to build alignment across your team
- » Multiple perspectives on how change happens in organizations
- » Real-world insights to navigate common pitfalls and possibilities
